

Give a short description of a story about how Holy Rosary

Credit Union has helped you:

Before HRCU. gave me Loan for my truck, I was taking a bus to and from work. 2 hours to get to work by bus and 2 hours back. But HRCU. approved me for a loan to get the truck it now only takes 15 min to get to work I was living in a tent ~~at~~ when I found work ~~at~~. through the help of The Bishop Sullivan Center and they in turn pointed me to HRCU. for the Loan. This Loan/truck has helped more than travel time, it has also helped me put my GF through college. ~~at~~ She is now graduated and doing well in her field. Thank you HRCU. You really have changed my life ~~at~~ for the Best.
